## CONFERENCE IN NEW YORK

DEMOCRATIC LEADERS CALL A MEETING OF THE NATIONAL COMMITTEE.

CHAIRMANSHIP NOT SETTLED

COMMITTEE WILL PROBABLY BE LEFT FREE TO CHOOSE PRESIDING OFFICER.

New York, July 19.—Leaders of the Democratic party conferred for more than two hours last night in the rooms of Senator D. B. Hill at the Hoffman House, and at the close made public a statement to the effect that the chairmanship of the national committee had not been discussed. Privately it was said the judgment of all present was that the interests of the party would be best conserved by leaving the committee absolutely free to elect its chairman. Judge Parker was said to favor this course.

The conference resulted in an agreement to call a meeting of the national committee to be held at the Hoffman House on July 26. The question of fixing the time and place for the notification of the candidates for president and vice president was left to the candidates themselves.

Present at the conference were the leaders who brought about the nomination of Judge Parker. There was also present Senator Victor J. Dowling of New York, who looked after the Tammany interests. Every one declared that harmony had been the watchword throughout. The conferees were former Senators D. B. Hill of New York, James Smith, Jr., of New Jersey, Henry G. Davis of West Virginia, Edward Murphy, Jr., of New York, Senator Gorman of Maryland, William F. Sheehan of New York, Cord Meyer of New York, John W. Kern of Indiana, Colonel James M. Guffey of Pennsylvania, Senator P. H. McCarran of Brooklyn, James M. Head of Tennessee, Norman E. Mack of Buffalo, Perry Belmont and August Belmont of New York, Thomas F. Ryan of Virginia, Senator J. K. P. Hall of Pennsylvania and John R. McLean of Ohio.

The meeting gave a number of those present the first opportunity they have had of consulting with Mr. Davis since

his nomination at St. Louis, and the reception accorded him was hearty. The discussion of prospects in the coming campaign was general in character. The opinion was expressed by several that Western Democrats would give earnest support to the ticket and that no fear of factional opposition need be entertained.

## CAUSE OF DEATH UNKNOWN.

Verdict of Coroner's Jury Over Body of F. Kent Loomis.

London, July 19.—At the inquest at Thurstone, Devonshire, on the body of F. Kent Loomis, which was found Saturday morning at Warren Point, about fifteen miles from Plymouth, a doctor testified that he believed the wound behind the ear was received before death.

The jury found that the deceased was Frederick Kent Loomis and that he was found dead in Bigbury bay, there being no evidence to show how he met his death.

The evidence at the inquest was very inconclusive and wholly conjectural, as pointed out by the coroner when he advised an open verdict, adding that, although death was caused by a blow, there was nothing to justify the suspicion that it was foully administered.

Consul Stephens of Plymouth has charge of the body, which is in a fair state of preservation. It will be embalmed and sent home for burial as early as practicable.

## RAVAGED BY CHOLERA.

Nine Hundred Deaths in One Day at Teheran.

Baku, Russia, July 19.—Refugees from Teheran tell terrible stories of the ravages of cholera. They say that one day the mortality reached 900. The Europeans are abandoning their property and are fleeing to a camp in the mountains. There is a pitiful condition of affairs at the quarantine stations, which are almost without food. The Russian government has ordered the closing of the frontier for the purpose of preventing the introduction of the disease.

## IOWA FARMER KILLS HIS WIFE.

Then Commits Suicide by Shooting Himself Through the Head.

Des Moines Ia., July 19.—Tolliff Anderson, a wealthy retired farmer, living at Linn Grove, Buena Vista county, Monday shot his wife through the head, killing her instantly and then sent a bullet through his own head. The shooting was done in the presence of a daughter. Anderson had been insanely jealous of his wife, who left him some days ago. Her refusal to live with him precipitated the tragedy.

## DEFEAT FOR RUSSIANS

REPULSED WITH HEAVY LOSS IN AN ATTACK ON THE JAPS AT MOTIEN PASS.

LOSE OVER A THOUSAND MEN

JAPS SUFFER BUT SLIGHTLY IN BATTLE WITH GENERAL KELLER'S TROOPS.

St. Petersburg, July 19.—The following dispatch from General Kurapatkin to the emperor, dated July 17, "on our eastern front," was given out last night:

"After the occupation by General Kuroki's army of the passes in the Fenshui mountain chain, our information concerning his forces and disposition was generally inadequate. According to some reports his army had been reinforced and he had even extended his forces towards Saimatza. Other reports stated that a displacement of his troops had been made in the direction of Ta pass and Siyen. There were even indications that Kuroki had transferred his headquarters from Tsikakekan to Tounipou.

On the strength of the information received and on the basis of reconnaissance which had been made, the hypothesis was formed that the principal forces of the enemy were concentrated around Lianshankwan and that their advance guards had been strengthened in the passes of Siakoa, Wafankwan, Sinkia, Lakho and Papau, as well as at Syhey pass, two and a half miles north of the road and half the height of Siakoa pass.

"On July 17, in order to determine the strength of the enemy, it was decided to advance against his position in the pass of Lianshankwan. Lieutenant General Keller had been instructed not to start with the object of capturing the pass, but to act according to the strength of the force that he would find opposed to him.

## Disposition of Russian Forces.

"The left column of the expeditionary force, consisting of three battalions, was dispatched towards Syhey pass. The center column, commanded by Major General Kashtalinsky, consisting of fourteen battalions with twelve guns, was destined to attack Siakoa pass, the heights surmounted by the temple and Wafankwan pass. The right column, of one battalion strong, was occupying points where the roads leading to Sinkia and Lakho passes cross in order to cover the right flank of General Kashtalinsky's column. The general reserve was left at Ikhavuen and a portion of the force occupied a position at that place.

"At 10 p. m. July 16 the head of the column advanced from Ikhavuen. At 11 o'clock a battalion of the Second regiment dislodged a Japanese outpost with the bayonet at the crossing of the Lakho and the Sinkia roads.

"The details of this engagement have not yet been verified, but its general course, according to reports sent in by General Keller, was as follows: "During the night the Japanese had evacuated Siakoa pass and the heights surmounted by the temple, leaving only outposts there. At dawn General Kashtalinsky's column occupied these passes, driving back the Japanese advance posts.

"At about 5:30 on the morning of July 17 the Japanese in considerable strength and with numerous guns occupied Wafankwan pass and the mountainous bluffs to the south on the flank of General Kashtalinsky's column. From this position and from the crest of the mountains to the east of the heights surmounted by the temple, the enemy directed a very heavy rifle and artillery fire.

## General Kashtalinsky Repulsed.

"General Kashtalinsky advanced to occupy the bluffs with three battalions, but the attempt failed, notwithstanding the support given by the horse mountain battery.

"At about 8 a. m. General Keller, who was directing the fight around Ikhavuen, deemed it necessary to lend assistance to General Kashtalinsky's column by bringing up from the general reserve three battalions to the heights surmounted by the temple. In order to maintain the position we had already occupied it was necessary, owing to the enemy's pressure, to reinforce immediately with other reserves the troops in the fighting line, but these positions were untenable.

"General Keller found the strength of the enemy so great compared with ours that he decided not to continue the fight and not to bring up either the special or the general reserves especially in view of the fact that in case of his ultimately taking the offensive it would be necessary to attack without support of the field artillery.

"In consequence of this General Keller decided about 10:30 to withdraw his troops to the positions originally occupied in the Yanz pass. The troops retired slowly, step by step, and in perfect order, covered by the fire of a field battery which had been brought into action.

## Japs Take the Offensive.

"Towards midday an offensive movement by the enemy in the direction of the right flank of the Yanz pass position developed and at the same time a Japanese mountain battery was brought into position in the village of Tsoudiapute, south of Ikhavuen. About four shots had

been fired from the Third battery of the Third brigade the Japanese battery was finally reduced to silence.

"The fight ceased at 3 p. m. and the troops returned to Ikhavuen. The Japanese advance was stopped above the valley of the Iantakhe river at a position occupied and maintained by us.

"In consequence of a sleepless night and the heat of the day our troops were greatly fatigued, having been over fifteen hours on foot and fighting.

"Our losses have not yet been exactly ascertained, but General Keller reports that they exceed 1,000.

"The gailant Twenty-fourth regiment suffered most. Colonel Koschitz was severely wounded in the leg."

## RUSSIANS IN A TRAP.

Japs Retired Far Enough to Ambush Them.

Liaoyang, July 19.—Wounded Russians by the hundreds were brought into this city Monday after the severe engagement with the enemy at Motien pass, in which General Keller was repulsed with great loss in an attempt to drive the Japanese out of the mountains southeast of here. From their stories the Russians were routed after the Japanese had retired far enough to draw them into a trap.

## JAPANESE LOSS TRIFLING.

Defeated Russians Without Suffering Many Casualties.

London, July 19.—The correspondent of the Times at General Kuroki's headquarters says that the Japanese losses during the fighting at Motien pass on July 17 were trifling. Thirty thousand Russians were engaged.

## DETAINED FOR THREE HOURS.

British Vessels Stopped By Russians in the Red Sea.

London, July 19.—The Daily Mail's Aden correspondent says that the British steamers Woodcock and Dalmatia were held up by the Russians in the Red sea and detained for three hours.

The correspondent says the captain of the Russian volunteer fleet steamer St. Petersburg has notified the British residents at Aden to wire the British consuls at Suez and Port Said that he would seize any British steamers bound for the far East if the contents of their packages was not clearly shown on their manifests, according to international law.

The daily Mail's St. Petersburg correspondent says that two more steamers of the Russian volunteer fleet now

at Odessa have received confidential orders to leave this week for the Red sea and to seize British vessels which are alleged to be carrying contraband of war.

## ATTRACTS ATTENTION IN JAPAN.

Passage of Dardanelles by Russian Ships Causes Comment.

London, July 19.—The Standard's Tokyo correspondent, cabling under date of July 18, says:

"The passage of the Dardanelles by steamers of the Russian volunteer fleet attracts increasing attention here. The Japanese press continues to discredit the supposition that Russia really intends to send naval reinforcements to the far East.

"Universal joy was caused by the news of the repulse to the Russians at Motien pass."

## BRITISH FLEET SAILS

RUSSIANS MAY SOON HAVE ALL THE TROUBLE THEY WANT IN THE RED SEA.

London, July 19.—The Daily Express this morning prints the following dispatch, dated July 18, from its correspondent at Malta:

"The British Mediterranean fleet left here today for Alexandria. It is believed that the destination of the fleet may be connected with the presence of the Russian volunteer fleet steamers in the Red sea. The British cruiser Terrible is said to have sailed from Suez today for the purpose of looking after the interests of British merchantmen."

## TO FIGHT BRANCH HOUSES.

Strikers' Union Will Make an Agreement With Independent Butchers.

Philadelphia, July 19.—The Amalgamated Meat Cutters and Butcher Workmen's association has decided to fight the Philadelphia branches of the Western packinghouses. Since the strike started local independent butchers have been supplying in a small way the Philadelphia branches of the various Western houses. Monday Richard Butler of New York, secretary and treasurer of the Sheep Butchers' local union No. 10, came to this city and sought to have all local independent butchers discontinue supplying the Western houses with dressed meat. In return for this the union agrees to supply all the men the independent concern might need to carry on the increased business. The prominent independent butchers are willing to enter such an agreement and a general meeting of local independents will be held on Wednesday at 1 p. m. at the West Philadelphia abattoir with a view of putting all local butchers into the agreement. The Western houses have a very short supply of meat on hand in this city.

## INJUNCTION SERVED.

Union Men Enjoined From Interfering With Operation of Plants.

St. Louis, July 19.—The sweeping injunction issued Tuesday night by Judge Holder of the St. Clair (Ill.) county court against the striking butchers in East St. Louis packinghouses, was served Monday by Sheriff Thompson on P. Morgan and John Smith, union leaders and organizers, as well as on the presidents of the thirteen associated unions.

All promised to abide by the injunction, which forbade them from interfering with the operation of the plants or with the nonunion men hired to take the places of the employees who talked out.

There is practically no change in the situation either in St. Louis or East St. Louis thus far and the strikers have been very orderly. About twenty nonunion men were taken into one of the East Side plants Monday. Very little killing was done.

## California Millionaire Dead.

San Francisco, July 19.—Henry S. Crocker, pioneer stationer, millionaire and brother of the late Charles Crocker, the railroad magnate, died Monday, aged seventy-two years.

## SERIOUS RIOTING IN FRANCE.

Four Persons Killed and Twenty-five Others Wounded.

Cluses, France, July 19.—During a riot of strikers here Monday several shots were fired, resulting in the killing of four persons and the wounding of twenty-five. The gendarmes, who attempted to disperse the rioters, were stoned.

## Would Affiliate With Printers.

St. Paul, July 19.—A proposition is before the Commercial Telegraphers' Union of America, in session here, favoring affiliation with the newscaper printers by the press telegraphers. It is said to be looked upon with favor by both classes of workmen.

## CONFERENCE IN NEW YORK

DEMOCRATIC LEADERS CALL A  
MEETING OF THE NATIONAL  
COMMITTEE.

CHAIRMANSHIP NOT SETTLED

COMMITTEE WILL PROBABLY BE  
LEFT FREE TO CHOOSE PRE-  
SIDING OFFICER.

New York, July 19.—Leaders of the Democratic party conferred for more than two hours last night in the rooms of former Senator D. B. Hill at the Hoffman House, and at the close made public a statement to the effect that the chairmanship of the national committee had not been discussed. Privately it was said the judgment of all present was that the interests of the party would be best conserved by leaving the committee absolutely free to elect its chairman. Judge Parker was said to favor this course.

The conference resulted in an agreement to call a meeting of the national committee to be held at the Hoffman House on July 26. The question of fixing the time and place for the notification of the candidates for president and vice president was left to the candidates themselves.

Present at the conference were the leaders who brought about the nomination of Judge Parker. There was also present Senator Victor J. Dowling of New York, who looked after the Tammany interests. Every one declared that harmony had been the watchword throughout. The conferees were former Senators D. B. Hill of New York, James Smith, Jr., of New Jersey, Henry G. Davis of West Virginia, Edward Murphy, Jr., of New York, Senator Gorman of Maryland, William F. Sheehan of New York, Cord Meyer of New York, John W. Kern of Indiana, Colonel James M. Guffey of Pennsylvania, Senator P. H. McCarren of Brooklyn, James M. Head of Tennessee, Norman E. Mack of Buffalo, Perry Belmont and August Belmont of New York, Thomas F. Ryan of Virginia, Senator J. K. P. Hall of Pennsylvania and John R. McLean of Ohio.

The meeting gave a number of those present the first opportunity they have had of consulting Mr. Davis and

his nomination at St. Louis, and the reception accorded him was hearty.

The discussion of prospects in the coming campaign was general in character. The opinion was expressed by several that Western Democrats would give earnest support to the ticket and that no fear of factional opposition need be entertained.

CAUSE OF DEATH UNKNOWN.

Verdict of Coroner's Jury Over Body of F. Kent Loomis.

London, July 19.—At the inquest at Thurlstone, Devonshire, on the body of F. Kent Loomis, which was found Saturday morning at Warren Point, about fifteen miles from Plymouth, a doctor testified that he believed the wound behind the ear was received before death.

The jury found that the deceased was Frederick Kent Loomis and that he was found dead in Bigbury bay, there being no evidence to show how he met his death.

The evidence at the inquest was very inconclusive and wholly conjectural, as pointed out by the coroner when he advised an open verdict, adding that, although death was caused by a blow, there was nothing to justify the suspicion that it was foully administered.

Consul Stephens of Plymouth has charge of the body, which is in a fair state of preservation. It will be embalmed and sent home for burial as early as practicable.

RAVAGED BY CHOLERA.

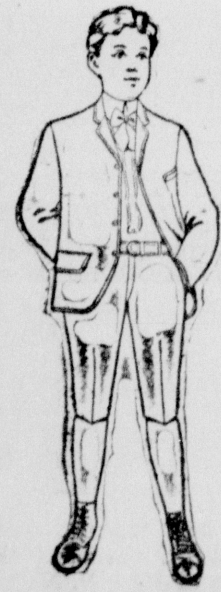

Nine Hundred Deaths in One Day at Teheran.

Baku, Russia, July 19.—Refugees from Teheran tell terrible stories of the ravages of cholera. They say that one day the mortality reached 900. ## LOCAL NEWS NOTES.

George Heitz left this afternoon for California.  
Henry Jones returned from Alexandria this afternoon.  
C. M. Patek returned the afternoon from an eastern business trip.  
Mrs. John Rued left for Minneapolis this afternoon for a brief visit.  
W. F. Holst is able to be out again after an illness of a week or ten days.  
J. A. Nichols, of Little Falls, was in the city yesterday on business.  
George Goodrich, of Minneapolis, is in the city visiting with his cousin, Russell Cas.  
Little Arthur Dykeman was operated on at St. Joseph's hospital this forenoon for an abscess.  
Attorney F. A. Lindberg, of Little Falls, was in the city yesterday afternoon on business.  
The Misses Laura and Lillian Fose, of Little Falls, arrived in the city this afternoon for a visit with friends.  
H. Schnell, who has been visiting in the city with his son, Express Agent Schnell, left for his home in St. Paul this afternoon.

C. N. Parker left for St. Paul this afternoon on business.  
Mrs. J. S. Gardner was called to Duluth this morning by the death of a niece.  
Mrs. F. S. Parker and Clyde Parker drove in from Parkerville this afternoon.  
Eugene Smith, the "Seal of Minnesota" man is doing the city this afternoon.  
Miss M. White, of Cloverport, Ky., is in the city visiting at the home of Mr. and Mrs. W. A. M. Johnstone.  
Mrs. Slipp and son, who have been visiting for a short time in the cities, returned this afternoon on No. 5.  
Supt. Gruber, of the G. N. shops at St. Cloud, accompanied by his wife, passed through the city this afternoon.  
Mrs. J. A. Zapp, of St. Cloud, who has been a guest at the Carney home on north Eighth street, returned home this afternoon.  
There will be an ice cream social in the Crust park, corner of Third and Prescott streets, E. Brainerd on Thursday evening. Everybody welcome.  
Ormsby McHarg, of Jameston, N. D., private secretary to Senator McCumber, is here from Washington and will spend some time rustivating at the lakes north of here.  
There will be a joint special meeting of the A. O. H. and the Ladies' Auxiliary tomorrow night in Elk hall. All members are requested to be present.  
Mr. and Mrs. A. E. Moberg and Mr. and Mrs. R. F. Walters left on Sunday for the west. They will visit points of interest on the coast and expect to be gone several weeks.  
John Cochrane left for Sol Markee's at Pelican Lake this afternoon where he will fish for a few days. Mrs. Cochrane and Mrs. M. McFadden also left for Smiley where they will visit for a short time.  
The report of a Finn cutting up another fellow in a saloon on Laurel was and injustice to Henry Moberg. It did not occur in his saloon but in a saloon east of the National hotel saloon, formerly the old stand of Mr. Moberg.  
Mrs. W. H. Mantor, accompanied by the Misses Ella Sullivan, of Clinton, Ia., and Sadie Longman, of Boone, Ia., and some ten or a dozen other young people left today for Smiley where they will enjoy a week's outing, occupying the St. Hall cottage.

Those who went to Walker to attend the funeral of the late Judge J. G. McGarry returned this afternoon on the belated passenger from the north. The funeral was held yesterday evening at 6 o'clock immediately on the arrival of the Great Northern passenger from the south.  
Mr. and Mrs. George Brown, Mrs. Fuller, Mrs. Brown's mother, and Bert Fuller, came in from the south this afternoon. Mr. and Mrs. Brown and Bert Fuller have been to Mankato attending the funeral of Mrs. Brown's father. Mrs. Fuller will remain in Brainerd for some time.  
Mr. and Mrs. W. S. Jordan and family leave tonight for Winona their future home. They have made many friends in the city who regret their departure.  
The Bachelor Maids went out to the Clouston home south of the city last evening and were royally entertained by the Misses Clouston. The affair was a sort of farewell for Miss Inez Jordan who is to leave for Winona to make her future home.

## MUSIC AND DRAMA.

THE GEORGIA MINSTRELS.  
On Monday, Aug. 1, the Georgia Minstrels are at the Brainerd opera house. Equipped with all the accessories pertaining to a first-class minstrel company, Richard & Pringle's famous Georgia Minstrels have "caught on" in a most emphatic fashion. The theatres where they are appearing are being literally tested to their capacity. Although twenty-eight years have elapsed since the company was organized, nothing they have offered in the past has given such satisfaction as the program they are presenting this season. Visitors find so much to amuse them that after two and one half hours of solid enjoyment, they are loth to see the curtain drop. It is a complete new show this season, full of ginger, dash and go from start to finish.

HOYT'S "A TEXAS STEER."  
That happy satirical farce comedy, Hoyt's "A Texas Steer," will be given at the Brainerd opera house soon by practically the original company that made the piece one of the theatrical successes of the past decade. In "A Texas Steer" the misery of the life of office-seekers as told by a colored applicant from the newly elected congressman's district is considered one of the cleverest hits that has graced the stage in many years. Hoyt's faculty of going from the sublime to the ridiculous in dialogue and situations, is as amazing as it is amusing and entertaining, and more truisms are brought out in his productions than in the works of any other American playwright. "A Texas Steer" will deservedly prove a good attraction here.

One of nature's remedies; cannot harm the weakest constitution; never fails to cure summer complaints of young or old. Dr. Fowler's Extract of Wild Strawberry.

Dissolution of Copartnership.  
The copartnership of Twetley & Reis is hereby dissolved, B. C. Twetley retiring. M. J. Reis will collect all bills due to and pay all claims due from said firm.  
Dated July 18th, 1904.

## BATTLE WITH DEATH IS OVER

Victim of Accident in N. P. Yards Died Yesterday Afternoon at N. P. Sanitarium

## THE REMAINS ARE TAKEN EAST

Gus Luebke Passes away Surrounded by Friends and Relatives After Hard Siege

Gus Luebke, the young man, who fell from the top of a freight car while switching in the N. P. yards in this city last week and who had his leg cut off above the knee, died yesterday afternoon at the N. P. Sanitarium after a hard fought battle with the grim reaper. The young man shortly after his leg was amputated started to improve, but the shock was a severe one to his system and it was realized that nothing but an iron constitution could withstand the ordeal. He sank rapidly toward the last, although he was conscious up to within ten minutes before he died.  
Chas. Remus, of this city, an uncle, Mrs. William Sherman, a sister and Albert Luebke, a brother, of Chicago, were at the bedside and he bid them all good bye about ten minutes before he passed away.  
The young man was 25 years of age and he came here from Chicago several months ago to take a position in the N. P. yards as a switchman. During his short residence here he made many friends. He was in the regular army at one time, joining the 23rd regiment, U. S. regulars, at the time of the war with Spain. He served for three years in the army.  
The remains were taken to LeRoy, Wis., this afternoon by the relatives for burial.

No Pity Shown.  
"For years fate was after me continuously," writes F. A. Gullede, Verbena, Ala. "I had a terrible case of piles causing 24 tumors. When all failed Bucklen's Arnica salve cured me. Equally as good for burns and aches and pains. Only 25c at H. P. Dunn & Co.'s drug store.

Notice  
One of the best paying business propositions in the city for sale. Apply to E. E. Bernard. 396

Moth-Moxie Wrestling Watch.  
Charles Moth, the big wrestler, will probably arrive in the city from the east tomorrow or next day to get ready for his big match with Oscar Moxie on Friday evening at the Brainerd opera house. There is a big demand for seats and the indications are that the house will be packed. The reserved seat sale will open on Thursday morning at H. P. Dunn & Co.'s drug store. Moxie was given a four mile run last night and is getting his wind in good shape and will put up a game match. There are some other preliminary events which will also be interesting.

Night was her Terror.  
"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 50 pounds." It's absolutely guaranteed to cure coughs, colds, LaGrippe, Bronchitis and all throat and lung troubles. Price 50c and \$1.00. Trial bottle free, at H. P. Dunn & Co., drugstore.

\$26.85 TO ST. LOUIS AND RETURN \$26.85

World's Fair.  
The N. P. Ry. will sell daily, April 25 to Nov. 20, 1904, inclusive round trip tickets, limited 60 days from date of sale but not to exceed Dec. 15, 1904, Brainerd to St. Louis, Mo., at \$26.85. For further information as to routes etc., apply to agents of N. P. Ry. dtwf

H. P. DUNN & CO. GUARANTEE

Cures Dyspepsia Even More Quickly Now Than at Other Seasons.

The summer is the best season in the whole year for the treatment and cure of stomach troubles. The outdoor life the common use of fruits and vegetables and the lessened strain upon the digestive organs all help the cure.  
Just take a Mi-o-na tablet after each meal and complete the cure. This remedy mingles with the food you eat and aids digestion, it soothes and heals any inflammation that may be present in the lining of the stomach, gives tone and strength to the digestive organs, builds up the nervous system, and soon restores complete health.  
H. P. Dunn & Co., have so much confidence in the curative powers of Mi-o-na that they guarantee to refund its cost in case it does not effect a cure. Two weeks' treatment costs but 50c. Use it regularly for a month and if you are not more than satisfied with the results, take back the two empty boxes to H. P. Dunn & Co., and they will refund your money without question. A guarantee like this shows the confidence H. P. Dunn & Co., have in the remedy.

Fresh lobsters, spring chicken, Kansas City steaks and everything seasonable at the Ideal Cafe. 23tf

## CITY FATHERS IN SESSION

Meeting of Council Held Last Evening in Chambers in the City Hall

### CONTROVERSY OVER BIG SEWER

Fourth and Fifth Wards Want General Sewer Extended South Some Distance

There was a meeting of the city council last night in chambers with President Crust presiding. The following aldermen were present: Halladay, Gardner, Purdy, Murphy, Rowley, Larson and Robertson.

The financial report of City Clerk F. E. Low for the month of July was read and approved. It showed \$4,000 receipts and \$8,003.81 disbursements.

A communication was read from his honor, Mayor Halsted, submitting the names of H. B. Skinner, Supt. T. B. Hartley and Rev. Richard Brown as new members of the library board, subject to the confirmation of the city council. The members appointed were unanimously confirmed. The first two named are old members of the board re-appointed, Rev. Richard Brown being the new member.

The first estimate of the work done on the Second ward district sewer was received last night. It amounted in the aggregate to \$706.40. The same was accepted. There was a point raised in this connection which caused some discussion. Alderman Halladay asked if the city council had anything to do with Contractor Johnson, to whom the contract for this sewer had been sublet. The city attorney stated that the council had nothing to do whatever with Mr. Johnson; that the city must look to E. T. Webster for the fulfillment of the agreements of the contract. City Clerk Low stated that he had an assignment from E. T. Webster to Contractor Johnson, but this does not relieve the former from any responsibility in connection with the sewer. The sewer has about reached Ninth street from the general sewer. It is running along Holly street.

The bill of Contractor Judd Wright for \$500, the final payment on the contract for the big general sewer was in last night and there was considerable discussion regarding the matter. Alderman Halladay wanted to know if the sewer committee had accepted the sewer. Alderman Larson answered that they had gone over all the work and found that there were some places that were not filled the required 18 inches, but he had been informed that the filling was being made under the supervision of the city engineer and he was willing as one of the members of the sewer committee to accept the sewer. City Attorney Fleming wanted to know if the council had overlooked the little point raised by Lum & Koop. He stated that Mr. Lum objected on the ground that the sewer was laid across their property not in accordance with the terms of their lease to the city. Alderman Rowley thought that Contractor Wright had nothing to do regarding the lease between the city and Lum & Koop and if there was some legal reason why the gentlemen who own the land are not satisfied that Mr. Wright should not be made a party to the transaction and wait for his money.

Alderman Robertson has been one of gentlemen who has objected to this sewer from the first and it did not come before the council last night without a side glance from the sturdy little alderman from the Second ward. He stated point blank that he thought the sewer had not been constructed according to contract and raised a point with the city engineer that with the continuous grade there is sure to be trouble. City Engineer Woolm stated that this change was made in compliance with the demands of the board of health and with the approval of the contractor. A vote by roll call was finally taken on the bill and Alderman Halladay stated that he would be in favor of allowing the same, but would consider the city engineer responsible for the work. Alderman Robertson plainly voted "no" stating that the work done was poor. There were enough favorable and the bill was allowed, which finally disposes of the general sewer matter.

The bill of Assessor A. G. Trommald for \$700 for assessing real and personal property in the city, was received and allowed.

The bills of Mayor Halsted, President Crust and City Clerk Low, as members of the city board of equalization, \$10 each, were allowed.

The street committee to whom was referred the matter of the street grade in front of the Esmy property in East Brainerd reported that they had looked the work over and found the street in good condition. The committee asked for further time on some other matters referred to them. The report was accepted.

Alderman Halladay called attention to the fact that there was some very poor walks on Ninth street near the mill. On motion the matter was referred to the street committee with power to act.

Alderman Murphy called attention to two bad places that needed filling on Oak street, one in front of the brick store and another between Seventeenth and Eighteenth streets. He moved that the street committee be requested to make the fill here. The motion carried.

The matter of the drain from the shops overflowing and causing some inconvenience to one or two residents of the Fourth ward was up again last night. The question was again referred to the fire and water committee to report at the next meeting.

The fire committee reported having purchased 1000 feet more of hose.

Chief Bennett, of the fire department, wanted to know who had to do with the moving of the hydrants and called attention to the fact that as the hydrant on the corner of Eighth and Laurel was almost completely surrounded by brick and other material it would be next to impossible for the department to get at it without losing considerable time. He wanted the hydrant moved out as the street was to be widened anyway and the hydrant would have to be moved out to the curb. It was finally decided to let the matter drop until the petition for widening the sidewalk was received. A motion prevailed, however, that the question of moving the building material from around the hydrant be left in the hands of the fire committee with power to act.

Clerk Low reported on the sewer warrant matter which was left to the finance committee at the last meeting. He stated that he had sent in the order for the warrants to be lithographed and they had sent a proof on to him. He submitted the same to the city attorney who approved of the same and they were sent back to be printed. There was some discussion as to the proper procedure to take in disposing of these warrants. It is understood that there are a large number of private individuals who want some of these as an investment. They are in denominations of \$50 each and bear 6 per cent interest. They are to be left with the city treasurer, but the manner in which they are to be disposed of was the question which the council wanted to settle. Some thought that it would be a good plan to advertise for bids for the sale of these warrants, but others argued that this would consume too much time, and as the money must be forthcoming soon there can be no delay. A motion finally prevailed that the matter be left in the hands of the finance committee in conjunction with the city attorney to make disposition of the same.

Annually there is trouble with the Sixth street sewer. Last night Alderman Larson stated that it had clogged up again and there was a deluge of water on the streets yesterday. Members of the council thought this sewer could be easily fixed by connecting it properly. Finally, on motion, the matter was referred to the sewer committee and they were instructed to have the sewer flushed. It seems that the trouble always arises when there is a heavy rain.

Alderman Robertson remarked that the hay in the park had been cut and retorted that it was not costing the city anything either. It was expected about this time to see the ghost of Bill Milligan walk in but it didn't.

About this time it was due the city council to go into executive session. Someone remarked that there were only two bodies in the United States that go into executive session, the U. S. senate and the Brainerd city council.

Chief Bennett, of the fire department, brought up the relief association matter again last night. The question was referred to the fire committee to report at the next meeting.

A resolution was passed ordering in another large batch of sidewalks in the city.

A. L. Hoffman was before the council regarding his building south of the furniture store, which he started to repair a few days ago, the work being stopped by the police. There was considerable discussion as to the proper procedure in the matter, but finally the mandate of City Attorney Fleming went forth that there was only one way by which the question could be disposed of under the ordinance. The ordinance provides that there must be a showing that the building was damaged less than 50 per cent before it can be repaired and this is final. On motion of Alderman Larson the chair appointed a committee to look the building over and report. The chair appointed the fire committee.

One of the most important matters to be brought up last night was a move which was made to try and secure an extension of the general sewer southward. The matter came up when Alderman Larson made a motion that the city engineer be instructed to furnish an estimate of the cost of extending the sewer from the present terminus to Oak street. This brought forth considerable objection from the members of the council from the Third and Second wards who stated that the sewer was now as near to the residence part of the Fourth and Fifth wards as it was to the Third ward residence part. Alderman Murphy seemed to think the council was trying to isolate the Fourth ward entirely. Finally the matter was disposed of when a motion prevailed that the chair appoint a committee consisting of one alderman from each ward to look into the question of extension and report at the next meeting. The chair

appointed Messrs. Rowley, Robertson, Halladay, Murphy and McGinn.

On motion of Alderman Robertson the city engineer was instructed to inform the city sidewalk contractors that they must remove all dirt after the completion of a job.

Builds up the system; puts pure, rich blood in the veins; makes men and women strong and healthy. Burdock Blood Bitters. At any drug store.

### WRECK ON THE M. & I.

Log Cars are Ditched this Side of Pequot and Trains are Delayed Some Time on Account of Accident

There was a small wreck on the M. & I. this morning about three miles this side of Pequot. On account of a broken flange three log cars jumped the track and while but little damage was done the bulky loads strewn over the track caused considerable delay. No one was hurt. The passenger from the north was forty minutes late in consequence.

"I suffered for months from sore throat. Electric Oil cured me in twenty-four hours." M. S. Gist, Hawesville, Ky.

### LOOKS GOOD

J. M. Quinn Leaves for Stony Brook Country to Look Over Logging Prospects for Coming Season.

J. M. Quinn left today for the Stony Brook country in the interests of the Nichols Lumber company. This firm has seven million feet of logs which they will get out next year and Mr. Quinn goes up to look over the ground with a view to driving the Stony Brook stream next year.

The firm will, if this drive is taken out this way, employ a large number of men and it will make business good, for a time at least, in the territory adjacent to the drives.

### Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Goloblick of Colusa, Calif., writes, "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by H. P. Dunn & Co., druggists.

### BOARD OF EDUCATION

Meeting Held Last Night in the Washington School Building With the Full Board Present.

There was a brief but concise meeting of the board of education last night at the Washington school building. The meeting was not of much importance as there was but little to be considered beyond the making of arrangements for the repairs to be done during the summer throughout the several buildings. The report of the building committee in this regard was accepted.

The contract for re-papering the interior of the old part of the Washington school building was awarded to J. C. Congdon.

Itchiness of the skin, horrible plague. Most everybody afflicted in one way or another. Only one safe, never failing cure. Doan's Ointment. At any drug store, 50 cents.

Large line of fine cut glass at D. M. Clark & Co.

### CHILD SLIGHTLY IMPROVED

Little Daughter of Mr. and Mrs. William Tedberg Brought to City and taken to the Hospital.

The little eleven-year old daughter of Mr. and Mrs. William Tedberg who was so badly burned on Saturday evening was brought to the city yesterday afternoon and is under the care of Dr. Beise at the St. Joseph's hospital. It is thought the little thing is slightly improved today but she is still in a very critical condition. Adolph Johnson, the man who it is alleged is responsible for the accident is out on bonds having been taken before a justice of the peace at Daggett Brook.

New line of wall paper at D. M. Clark & Co.

### Maccabee Installation.

At last night's review of Crow Wing Tent No. 62, the following officers were installed by Sir Knight Chaplain G. N. Grant:

Past Commander—Walter Pirie. Commander—R. C. Craddock. Lieutenant Commander—John A. Hoffbauer. Record Keeper—H. E. Steele. Finance Keeper—Wm. F. Dieckhaus. Chaplain—G. N. Grant. Physician—Dr. J. A. Thabes. Sergeant—Ray McNaughton. First and Second Masters of Guards—Chas. Bourdon, Albert Eschman. Sentinel—Olaf Ovig.

The new goal was also formally installed with impressive ceremonies and made several runs, establishing a reputation for butting in at the right time.

New line of shot guns and rifles at D. M. Clark & Co.

## HE BRUSHED UP AGAINST OUTLAW

Fred Hagadone Believed He Met and Rowed in a Boat With the Wisconsin Outlaw

### DESCRIPTION TALLIES EXACTLY

Man was Armed with a Winchester and Held it on Mr. Hagadone for Short Time.

Fred Hagadone, of this city, believes he has brushed up against Alonzo Smith, the Wisconsin outlaw, who murdered a sheriff near La Crosse a few months ago and who has been trailed and hunted by posies without success for weeks.

Mr. Hagadone tells a story which certainly revels in thrilling incidents and which would be a good theme for any old Nick Carter series, the kind that cures the blood of the youth and sets him on pins for forty days and forty nights.

Mr. Hagadone has charge of some of the booms up river and has been working north of here all summer. A few days ago not far from Rabbit lake he was coming down the river in a small row boat and he saw a man on the west side of the river raising his hands as though signaling him. He rowed over there and when within a few rods of the shore cried out, "Want a ride across the river?" The man replied, "How did you know?" whereupon Hagadone said he saw him wave his hand. "Well," said the man on shore, "that's what I want, see, and I want you to get a hustle on you too."

The man got into the boat and they started to row across. Mr. Hagadone was seated where he could see the fellow and he didn't look very good to him when they got out a short way. The man kept a steady eye on him and had his hand on a Winchester which lay across his knee all the time. When they got to the other side of the river Hagadone started to reach for a large hook he had to steer the logs out of the way and quicker than a flash the man raised his Winchester and covered him, telling him at the same time to drop the implement he had in his hand. He got out of the boat but kept Hagadone covered all the time and when on shore he turned on him and said, "Now you row down river and be sure you keep on going." The man disappeared in the woods.

Hagadone says there is a man of this description staying with an old bachelor near Rabbit lake. He at once came to Brainerd and told Sheriff Erickson about the matter and there is some talk of making a thorough search of that part of the country for the fellow. The man was about 7 miles up the river from Brainerd when Hagadone last saw him.

When he saw the description of the outlaw from Wisconsin, Hagadone was sure this was the man. He says he carried a Winchester rifle, and a small handbag, in which he presumed there was some lunch.

This is the story as told by Hagadone and is no "pipe" so far as THE DISPATCH is concerned. The only wonder is that if there is such a man roaming around that there has not been something done before this by the forces.

The Japs may fight the Russians, On land or on the sea; But the girls of this here country, Fight for Rocky Mountain Tea. H. P. Dunn & Co.

Celebrated Alaska refrigerators for sale at D. M. Clark & Co.

### Palmist.

Mrs. Morrison, of old Mexico, is at the National hotel for a few days. Reads your past, present and future correctly. Room 21.

The sky looks bluer, the sun shines brighter, a feeling of youth and strength creeps over the soul after taking Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets. H. P. Dunn & Co.

The DISPATCH will be delivered at your door for 40 cents per month.

## CITY FATHERS

### IN SESSION

Meeting of Council Held Last Evening in Chambers in the City Hall

### CONTROVERSY OVER BIG SEWER

Fourth and Fifth Warders Want General Sewer Extended South Some Distance

There was a meeting of the city council last night in chambers with President Crust presiding. The following aldermen were present: Halladay, Gardner, Purdy, Murphy, Rowley, Larson and Robertson.

The financial report of City Clerk F. E. Low for the month of July was read and approved. It showed \$4,000 receipts and \$8,063.81 disbursements.

A communication was read from his honor, Mayor Halsted, submitting the names of H. B. Skinner, Supt. T. B. Hartley and Rev. Richard Brown as new members of the library board, subject to the confirmation of the city council. The members appointed were unanimously confirmed. The first two named are old members of the board re-appointed. Rev. Richard Brown being the new member.

The first estimate of the work done on the Second ward district sewer was received last night. It amounted in the aggregate to \$706.40. The same was accepted. There was a point raised in this connection which caused some discussion. Alderman Halladay asked if the city council had anything to do with Contractor Johnson, to whom the contract for this sewer had been sublet. The city attorney stated that the council had nothing to do whatever with Mr. Johnson; that the city must look to E. T. Webster for the fulfillment of the agreements of the contract. City Clerk Low stated that he had an assignment from E. T. Webster to Contractor Johnson, but this does not relieve the former from any responsibility in connection with the sewer. The sewer has about reached Ninth street from the general sewer. It is running along Holly street.

The bill of Contractor Judd Wright for \$500, the final payment on the contract for the big general sewer was in last night and there was considerable discussion regarding the matter. Alderman Halladay wanted to know if the sewer committee had accepted the sewer. Alderman Larson answered that they had gone over all the work and found that there were some places that were not filled the required 18 inches, but he had been informed that the filling was being made under the supervision of the city engineer and he was willing as one of the members of the sewer committee to accept the sewer. City Attorney Fleming wanted to know if the council had overlooked the little point raised by Lum & Koop. He stated that Mr. Lum objected on the ground that the sewer was laid across their property not in accordance with the terms of their lease to the city. Alderman Rowley thought that Contractor Wright had nothing to do regarding the lease between the city and Lum & Koop and if there was some legal reason why the gentlemen who own the land are not satisfied that Mr. Wright should not be made a party to the transaction and wait for his money.

Alderman Robertson has been one of gentlemen who has objected to this sewer from the first and it did not come before the council last night without a side glance from the sturdy little alderman from the Second ward. He stated point blank that he thought the sewer had not been constructed according to contract and raised a point with the city engineer that with the continuous grade there is sure to be trouble. City Engineer Woolman stated that this change was made in compliance with the demands of the board of health and with the approval of the contractor. A vote by roll call was finally taken on the bill and Alderman Halladay stated that he would be in favor of allowing the same, but would consider the city engineer responsible for the work. Alderman Robertson plainly voted "no" stating that the work done was poor. There were enough favorable and the bill was allowed, which finally disposes of the general sewer matter.

The bill of Assessor A. G. Trommald for \$700 for assessing real and personal property in the city, was received and allowed.

The bills of Mayor Halsted, President Crust and City Clerk Low, as members of the city board of equalization, \$10 each, were allowed.

The street committee to whom was referred the matter of the street grade in front of the Esmy property in East Brainerd reported that they had looked the work over and found the street in good condition. The committee asked for further time on some other matters referred to them. The report was accepted.

Alderman Halladay called attention to the fact that there was some very poor walks on Ninth street near the mill. On motion the matter was referred to the street committee with power to act.

Alderman Murphy called attention to two bad places that needed filling on Oak street, one in front of the brick store and another between Seventeenth and Eighteenth streets. He moved that the street committee be requested to make the fill here. The motion carried.

The matter of the drain from the shops overflowing and causing some inconvenience to one or two residents of the Fourth ward was up again last night. The question was again referred to the fire and water committee to report at the next meeting.

The fire committee reported having purchased 1000 feet more of hose.

Chief Bennett, of the fire department, wanted to know who had to do with the moving of the hydrants and called attention to the fact that as the hydrant on the corner of Eighth and Laurel was almost completely surrounded by brick and other material it would be next to impossible for the department to get at it without losing considerable time. He wanted the hydrant moved out as the street was to be widened anyway and the hydrant would have to be moved out to the curb. It was finally decided to let the matter drop until the petition for widening the sidewalk was received. A motion prevailed, however, that the question of moving the building material from around the hydrant be left in the hands of the fire committee with power to act.

Clerk Low reported on the sewer warrant matter which was left to the finance committee at the last meeting. He stated that he had sent in the order for the warrants to be lithographed and they had sent a proof on to him. He submitted the same to the city attorney who approved of the same and they were sent back to be printed. There was some discussion as to the proper procedure to take in disposing of these warrants. It is understood that there are a large number of private individuals who want some of these as an investment. They are in denominations of \$50 each and bear 6 per cent interest. They are to be left with the city treasurer, but the manner in which they are to be disposed of was the question which the council wanted to settle. Some thought that it would be a good plan to advertise for bids for the sale of these warrants, but others argued that this would consume too much time, and as the money must be forthcoming soon there can be no delay. A motion finally prevailed that the matter be left in the hands of the finance committee in conjunction with the city attorney to make disposition of the same.

Annually there is trouble with the Sixth street sewer. Last night Alderman Larson stated that it had clogged up again and there was a deluge of water on the streets yesterday. Members of the council thought this sewer could be easily fixed by connecting it properly. Finally, on motion, the matter was referred to the sewer committee and they were instructed to have the sewer flushed. It seems that the trouble always arises when there is a heavy rain.

Alderman Robertson remarked that the hay in the park had been cut and retorted that it was not costing the city anything either. It was expected about this time to see the ghost of Bill Milligan walk in but it didn't.

About this time it was due the city council to go into executive session. Someone remarked that there were only two bodies in the United States that go into executive session, the U. S. senate and the Brainerd city council.

Chief Bennett, of the fire department, brought up the relief association matter again last night. The question was referred to the fire committee to report at the next meeting.

A resolution was passed ordering in another large batch of sidewalks in the city.

A. L. Hoffman was before the council regarding his building south of the furniture store, which he started to repair a few days ago, the work being stopped by the police. There was considerable discussion as to the proper procedure in the matter, but finally the mandate of City Attorney Fleming went forth that there was only one way by which the question could be disposed of under the ordinance. The ordinance provides that there must be a showing that the building was damaged less than 50 per cent before it can be repaired and this is final. On motion of Alderman Larson the chair appointed a committee to look the building over and report. The chair appointed the fire committee.

One of the most important matters to be brought up last night was a move which was made to try and secure an extension of the general sewer southward. The matter came up when Alderman Larson made a motion that the city engineer be instructed to furnish an estimate of the cost of extending the sewer from the present terminus to Oak street. This brought forth considerable objection from the members of the council from the Third and Second wards who stated that the sewer was now as near to the residence part of the Fourth and Fifth wards as it was to the Third ward residence part. Alderman Murphy seemed to think the council was trying to isolate the Fourth ward entirely. Finally the matter was disposed of when a motion prevailed that the chair appoint a committee consisting of one alderman from each ward to look into the question of extension and report at the next meeting. The chair

appointed Messrs. Rowley, Robertson, Halladay, Murphy and McGinn.

On motion of Alderman Robertson the city engineer was instructed to inform the city sidewalk contractors that they must remove all dirt after the completion of a job.

Builds up the system; puts pure, rich blood in the veins; makes men and women strong and healthy. Burdock Blood Bitters. At any drug store.

### WRECK ON THE M. & I.

### CHILD SLIGHTLY IMPROVED

Little Daughter of Mr. and Mrs. William Tedberg Brought to City and taken to the Hospital.

The little eleven-year old daughter of Mr. and Mrs. William Tedberg who was so badly burned on Saturday evening was brought to the city yesterday afternoon and is under the care of Dr. Boise at the St. Joseph's hospital. It is thought the little thing is slightly improved today but she is still in a very critical condition. Adolph Johnson, the man who it is alleged is responsible for the accident is out on bonds having been taken before a justice of the peace at Daggett Brook.

New line of wall paper at D. M. Clark & Co.

### Maccabee Installation.

At last night's review of Crow Wing Tent No. 62, the following officers were installed by Sir Knight Chaplain G. N. Grant:

Past Commander—Walter Pirie.  
Commander—R. C. Craddock.  
Lieutenant Commander—John A. Hoffbauer.

Record Keeper—H. E. Steele.  
Finance Keeper—Wm. F. Dieckhaus.  
Chaplain—G. N. Grant.  
Physician—Dr. J. A. Thabes.  
Sergeant—Ray McNaughton.  
First and Second Masters of Guards—Chas. Bourdon, Albert Eschman.  
Sentinel—Olaf Ovig.

The new goat was also formally installed with impressive ceremonies and made several runs, establishing a reputation for butting in at the right time.

New line of shot guns and rifles at D. M. Clark & Co.

## HE BRUSHED UP AGAINST OUTLAW

Fred Hagadone Believed He Met and Rowed in a Boat With the Wisconsin Outlaw

### DESCRIPTION TALLIES EXACTLY

Man was Armed with a Winchester and Held it on Mr. Hagadone for Short Time.

Fred Hagadone, of this city, believes he has brushed up against Alonzo Smith, the Wisconsin outlaw, who murdered a sheriff near La Crosse a few months ago and who has been trailed and hunted by posss without success for weeks.

Mr. Hagadone tells a story which certainly revels in thrilling incidents and which would be a good theme for any old Nick Carter series, the kind that curdles the blood of the youth and sets him on pins for forty days and forty nights.

Mr. Hagadone has charge of some of the booms up river and has been working north of here all summer. A few days ago not far from Rabbit lake he was coming down the river in a small row boat and he saw a man on the west side of the river raising his hands as though signaling him. He rowed over there and when within a few rods of the shore cried out, "Want a ride across the river?" The man replied, "How did you know?", whereupon Hagadone said he saw him wave his hand. "Well," said the man on shore, "that's what I want, see, and I want you to get a hustle on you too."

The man got into the boat and they started to row across. Mr. Hagadone was seated where he could see the fellow and he didn't look very good to him when they got out a short way. The man kept a steady eye on him and had his hand on a Winchester which lay across his knee all the time. When they got to the other side of the river Hagadone started to reach for a large hook he had to steer the logs out of the way and quicker than a flash the man raised his Winchester and covered him, telling him at the same time to drop the implement he had in his hand. He got out of the boat but kept Hagadone covered all the time and when on shore he turned on him and said, "Now you row down river and be sure you keep on going." The man disappeared in the woods.

Hagadone says there is a man of this description staying with an old bachelor near Rabbit lake. He at once came to Brainerd and told Sheriff Erickson about the matter and there is some talk of making a thorough search of that part of the country for the fellow. The man was about 7 miles up the river from Brainerd when Hagadone last saw him.

When he saw the description of the outlaw from Wisconsin, Hagadone was sure this was the man. He says he carried a Winchester rifle, and a small handbag, in which he presumed there was some lunch.

This is the story as told by Hagadone and is no "pipe" so far as THE DISPATCH is concerned. The only wonder is that if there is such a man roaming around that there has not been something done before this by the forces.

## WOULD OUST WALSH

### ANTI-HEARST DEMOCRATS WILL TRY TO FORCE HIM FROM IOWA COMMITTEE.

Iowa City, Ia., July 19.—Although the unexpected resignation of A. W. Maxwell from the state committee spoiled one fight that seemed likely to make the Democratic state convention interesting, another and larger fight has come up to take its place. The anti-Hearst Democrats have now turned their guns on Charles A. Walsh, member of national Democratic committee for Iowa, and it is proposed to oust him from a place on the state committee to which he was elected by the last state convention May 4. Having forced out Chairman Maxwell, who was elected to that position in violation of all precedent by the Hearst majority in state convention, the conservatives are now determined to humiliate and discredit Walsh, who was also a Hearst leader in the recent fight in Iowa. There is reason to believe that conservatives will succeed if they undertake this, for they are clearly in control of the situation and Maxwell's resignation demoralized the Hearst forces. The various places on the ticket were Monday tendered one man after another, only to meet with refusal. It is uncertain who will be named. The platform will reiterate the terms of the national platform.

## ALMOST A STAMPEDE.

Great Rush for Land Now on at Yankton, S. D.  
Yankton, S. D., July 19.—The gigantic land rush at Yankton developed into almost a stampede. Thirty-three thousand had registered up to closing Monday night. Monday's record was 5,565 and that will be exceeded today. The fever for land seems to have taken possession of thousands who heretofore had not thought of coming here to register. The crush in the city and on trains is simply indescribable. Lines of people were still two blocks long at closing time Monday, and 2,000 more people have arrived and the rush today will be unequalled. Hundreds will stay up all night to be early in line. Notaries work all night.

Bonesteel, S. D., July 19.—Forty-four hundred persons registered at the Bonesteel and Fairfax land offices Monday.

## TWO DEATHS AT OMAHA.

Another Man Probably Dying as Result of the Heat.

Omaha, July 19.—Two deaths and other serious prostrations occurred during the past twenty-four hours of intense heat, which carried the thermometer to 97 degrees at one time during the day. Abram S. Alexander, a florist, and John Waybright, a pressman, died and George Wenger, a laborer, may not recover from being prostrated.

At Lincoln, the heat reached a maximum of 94 degrees. Other points report the hottest day of the year.

## STORM LOWERS TEMPERATURE.

Five Deaths From Heat Occur at Pittsburg.

Pittsburg, July 19.—The excessive heat of the past forty-eight hours was broken by a heavy thunder storm which prevailed throughout Pittsburg and nearby towns. The effect of the storm was to bring the government thermometer from 99 down to 79 within half an hour.

During the extreme heated period many prostrations and five deaths that could be traced directly and indirectly to the hot weather were reported.

## SIX DEATHS AT CHICAGO.

Twenty Other Persons Prostrated by the Heat.

Chicago, July 19.—Monday was the third day of the present heated term, and while the mercury only reached 92, two degrees less than Sunday, the number of prostrations was greater. There were six deaths during the day and twenty prostrations.

## Two Deaths From Heat.

Hammond, Ind., July 19.—Two prostrations from heat, both resulting in death, occurred here. Fred Sobieski, nine years old, succumbed while playing ball in the street. Henry McKnight, thirteen years old, was prostrated while crossing a field. Several horses dropped dead.

## Heat Prostrations at Detroit.

Detroit, July 19.—A number of cases of heat prostrations were reported here Monday. The case of A. L. Smith, a well known contractor, resulted fatally. The maximum temperature was 95 degrees.

## One Death at Cleveland.

Cleveland, O., July 19.—One death and four prostrations had been reported to the police up to midnight as a result of the heat Monday. Two of the latter are serious.

## Two Deaths From Heat.

Milwaukee, July 19.—Otto A. Menges, a Milwaukee architect, died at Fredonia, Wis., from sunstroke and an unknown peddler died in this city from the heat.

## CITIZENS VISIT JOHN DEITZ.

Welcomed by Wisconsin Man Who is Holding Log Drive.

Chippewa Falls, Wis., July 19.—T. G. Wilton and D. D. Peck have visited John Deitz, who is holding up a log drive of the Chippewa Lumber and Boom company at Thornapple river. Officers have not dared or been able to see Deitz since he started the hold up. Deitz welcomed the citizens, reviewed the case, showing surveys, deeds, abstracts, claims, contracts, etc., and alleged he was entitled to the property concerned. He said the sheriff did not read an injunction to him, but sent him an unsigned order through the mail. He said he had been repeatedly shot at, but that he had shot no one. He offered to give himself up and agreed to follow Wilton and Peck, but his wife tearfully persuaded him not to go, fearing that he might be shot on the way through the woods.

## FOLK WILL BE NOMINATED.

Democrats of Missouri Will Name Him for Governor.

The eighth national convention of the Ladies Catholic Benevolent association is being held in St. Paul. Jefferson City, Mo., July 19.—The element of uncertainty regarding the nature of the proceedings of the Democratic state convention which convenes today characterized the hordes of delegates last night. The opinion was freely expressed that the convention will be harmonious.

That Joseph W. Folk, the present circuit attorney of St. Louis, will receive the nomination for governor is accepted as a fact.

## Miss Addie Burt Dead.

Toledo, O., July 19.—Miss Addie Burt, divorced wife of Frank Burt, manager of the Lyceum and Burt's theater, died here Monday. The direct cause of death was inflammation of the brain which became acute soon after Mrs. Burt attempted to kill her husband by shooting him on the night of May 21 last.

## Horse Balked on Crossing.

Janesville, Wis., July 19.—Joseph Green and wife were struck by a passenger train a mile south of here. Mrs. Green died from her injuries and her husband is not expected to live. Their horse balked in the middle of the railway crossing. Mr. Green was a prominent business man of this city.

## TO SETTLE TROUBLE

ANOTHER EFFORT WILL BE MADE TO END STRIKE IN THE PACKING INDUSTRY.

## APPEALS TO THE PACKERS

STRIKE LEADER ASKS THEM TO CONCEDE THE ONE POINT IN CONTENTION.

Chicago, July 19.—One more effort will be made to settle the stock yards strike by arbitration. President Donnelly of the striking unions will today send to the packers another letter asking for a conference. In this letter Mr. Donnelly will go over the history of the strike, and will ask the packers if in their judgment it will not be better to concede the one point in contention than to continue the strike. The one point to which allusion is to be made, is the refusal of the packers to discharge the men they have employed since the commencement of the strike, and give their places to the men who walked out.

The communication to the packers will also suggest that it is the belief of the strikers that they are, as old employees, deserving of this consideration. If this offer of the union is rejected by the packers, Mr. Donnelly declared last night, the allied trades at the stock yards, numbering in all about 13,000 men, will be called out today in an effort to bring the packers to terms.

Joseph Morton of the stationary firemen's union called on the packers Monday afternoon and notified them that unless there is a speedy settlement of the strike his men will be compelled to quit work. While no definite answer was given Mr. Morton by the packers he was received by them in such a friendly manner that he left the conference with the belief that there is still a strong probability of peace, and the determination of Mr. Donnelly to once more open negotiations with the packers was the result of the manner in which Mr. Morton was received by them.

## Operating Forces Increased.

According to representatives of the packers, the operating forces at the plants Monday were about one-half the normal strength, being fully 50 per cent larger than last Saturday. All the plants, it was claimed, did a great deal of killing and there was also a decided increase in the amount of dressed meats shipped out of the city. From the strikers' side came the statement that independent plants are doing all the work and that the big plants are not doing 2 per cent of their normal business.

Slugged into insensibility by a dozen men early Monday and left for dead on the tracks of the Ashland trolley line at West Forty-seventh street, Anton Bartusiakovis, an employee at the Swift packing plant, is dying at the county hospital. His injuries, in the opinion of Inspector Hunt, were inflicted by strike sympathizers and the wheels of a trolley car. The men set upon Bartusiakovis, who was going home from work, broke his skull, fractured his jaw, kicked him about the face, head and body and then threw him on the car tracks. The motor-man of the car saw the body in time to stop the car, but not before the wheels had crushed the man's shoulder.

Monday was almost free from rioting or disturbances of any kind.

## NONUNION MEN BARRED.

Fail to Get Through Picket Line at South St. Paul.

St. Paul, July 19.—The South St. Paul strike situation opened Monday with every indication of trouble, and closed quiet and serene, except for the fact that many of the union men were highly displeased with the action of their president in abolishing the blockade features of the pickets after conferring with Governor Van Sant.

It is a serious question whether President Willis will be able to control his men at the meeting of the union today.

When the nonunionists arrived on the motors, they faced by far the strongest picket line seen during the strike. About 500 men, reinforced by fifteen women, blocked the roadway leading to the entrance of Swift & Co.'s plant, and, despite efforts to break through the line, not a nonunion man passed into the plant until the blockade was raised.

Sheriff Grism confessed that he was not able to handle the situation, and Mayor Lytle failed to accomplish anything more than the delivering of an address on the duties of citizens.

There is every reason to believe that the blockade will be continued again today, and if the men act on their own initiative and are not subject to their officers, there is additional danger of a clash, as Superintendent Burns says that it is the purpose to take in nonunion men as fast as possible.

Governor Van Sant has decided that the local authorities have not exhausted their resources and declines to call out the militia.

## ANOTHER TRAGEDY OCCURS.

Woman Jumps Overboard From the Steamer Loomis Sailed On.

Plymouth, Eng., July 19.—Tragedy again marked the homeward voyage of the North German Lloyd steamer Kaiser Wilhelm II. On the arrival of the vessel here Monday almost at the hour an inquest was being held over the body of E. Kent Loomis, it was announced that a second-class passenger, Mrs. Lipschitz, had committed suicide by jumping overboard when the ship was one day out from New York. Hundreds of passengers witnessed the suicide and watched the efforts of a life boat to rescue the woman. No trace of the body was found.

## EXCITEMENT IN PANAMA.

Said to Be Based on a Misunderstanding.

Washington, July 19.—It is explained here that the excitement among the business men of Panama over the recent establishment of ports of entry at Ancon and Cristobal, in the canal zone, is based on a misunderstanding of the intentions of the canal commission. The French company in constructing the canal dredged a deep water channel to the mouth of the Rio Grande river and erected wharves at La Boca. This channel was deep enough to enable seagoing craft to discharge their cargoes at the La Boca wharves. The waters of the harbor adjacent to the city of Panama are shallow and it is necessary to lighter goods which are landed at the wharf in the city of Panama.

The merchants at Panama, it is believed here, think that the establishment of the port of Ancon, which is the name given by the commission to La Boca, will prevent the continued use of the channel and wharves at La Boca for the landing of goods intended for the city of Panama. These difficulties can be avoided by an amicable arrangement in respect to transportation of goods landed at La Boca for Panama under bond.

## TELEGRAPHIC BREVITIES.

Former Secretary of War Elihu Root is a guest of President Roosevelt at Sagamore Hill.

Dr. Isaac Roberts, the well known astronomer and geologist, is dead at Crowborough, Eng.

In a fight at Yellow creek mines at Middlesboro, Ky., Monday, Archie Legero shot and killed Henry Glee. Legero escaped.

The yacht race Monday from Dover to Ostend was won by the American schooner-yacht Ingomar, owned by Morton F. Plant of New York.

William H. Siegel, aged fifty, together with his team of horses and a wagon, was blown to atoms by an explosion of nitroglycerin at Lima, O., Monday.

The Canadian tennis tournament was finished at Niagara, Ont., Monday, with the winning of the men's singles championship by Beals Wright of Boston over L. H. Waldner of Chicago.

Edward Smilax was probably fatally injured in Minneapolis Monday night as a result of being thrown from a buggy and dragged half a block on Fourth street south by a horse frightened by an automobile.

## MERELY WASTED POWDER.

Two French Deputies Fight a Bloodless Duel.

Paris, July 16.—A duel was fought Friday by Francis De Pressense, Socialist deputy, and Louis Lucien Klotz, Radical deputy, the outcome of a violent dispute in the corridors of the chamber of deputies last Wednesday night in the course of which violent epithets were used, such as "dog of a Jew," and "blackguard." Only two shots were fired and neither deputy was injured.

## WANT EXCHANGE OF CARDS.

Plumbers and Other Workmen of New York Contractors Strike.

New York, July 16.—Strike of the plumbers, gasfitters and steamfitters and helpers were ordered Friday on all the contracts of New York general contractors in outside cities to force a system of exchange of cards with unions in outside cities.

The buildings affected are in Pittsburgh, Philadelphia, Baltimore, Washington, Newark, Binghamton, Jersey City and Princeton.

## MICHIGAN VILLAGE DESTROYED.

Nearly Every Building in Kimball Wiped Out by Fire.

Ironwood, Mich., July 16.—The village of Kimball, including the Kimball & Clark mill, a large stock of lumber and nearly every building in the village, was destroyed by fire Friday. The loss is estimated to be \$75,000.

## ARTHUR ORTH SUICIDES.

Iowa Man Succeeds in Carrying Out Double Tragedy.

Davenport, Ia., July 16.—By putting arsenic into a tumbler of milk and draining the glass, Arthur Orth Thursday carried out a double suicide that he and Mrs. Minnie Garner planned last Monday. Because she was in love with Orth but already was married, Mrs. Garner proposed a double suicide Monday and they took poison together. Death followed for the woman, but physicians saved the man's life. He tried again Thursday and succeeded.

## WOULD OUST WALSH

### ANTI-HEARST DEMOCRATS WILL TRY TO FORCE HIM FROM IOWA COMMITTEE.

Iowa City, Ia., July 19.—Although the unexpected resignation of A. W. Maxwell from the state committee spoiled one fight that seemed likely to make the Democratic state convention interesting, another and larger fight has come up to take its place. The anti-Hearst Democrats have now turned their guns on Charles A. Walsh, member of national Democratic committee for Iowa, and it is proposed to oust him from a place on the state committee to which he was elected by the last state convention May 4. Having forced out Chairman Maxwell, who was elected to that position in violation of all precedent by the Hearst majority in state convention, the conservatives are now determined to humiliate and discredit Walsh, who was also a Hearst leader in the recent fight in Iowa. There is reason to believe that Walsh will succeed if they undertake this, for they are clearly in control of the situation and Maxwell's resignation demoralized the Hearst forces. The various places on the ticket were Monday tendered one man after another, only to meet with refusal. It is uncertain who will be named. The platform will reiterate the terms of the national platform.

**ALMOST A STAMPEDE.**  
Great Rush for Land Now on at Yankton, S. D.  
Yankton, S. D., July 19.—The gigantic land rush at Yankton developed into almost a stampede. Thirty-three thousand had registered up to closing Monday night. Monday's record was 5,505 and that will be exceeded today. The fever for land seems to have taken possession of thousands who heretofore had not thought of coming here to register. The crush in the city and on trains is simply indescribable. Lines of people were still two blocks long at closing time Monday, and 2,000 more people have arrived and the rush today will be unequalled. Hundreds will stay up all night to be early in line. Notaries work all night.

Bonesteel, S. D., July 19.—Forty-four hundred persons registered at the Bonesteel and Fairfax land offices Monday.

**TWO DEATHS AT OMAHA.**  
Another Man Probably Dying as Result of the Heat.  
Omaha, July 19.—Two deaths and other serious prostrations occurred during the past twenty-four hours of intense heat, which carried the thermometer to 97 degrees at one time during the day. Abram S. Alexander, a florist, and John Waybright, a pressman, died and George Wenger, a laborer, may not recover from being prostrated.  
At Lincoln, the heat reached a maximum of 94 degrees. Other points report the hottest day of the year.

**STORM LOWERS TEMPERATURE.**  
Five Deaths From Heat Occur at Pittsburgh.  
Pittsburg, July 19.—The excessive heat of the past forty-eight hours was broken by a heavy thunder storm which prevailed throughout Pittsburgh and nearby towns. The effect of the storm was to bring the government thermometer from 90 down to 79 within half an hour.  
During the extreme heated period many prostrations and five deaths that could be traced directly and indirectly to the hot weather were reported.

**SIX DEATHS AT CHICAGO.**  
Twenty Other Persons Prostrated by the Heat.  
Chicago, July 19.—Monday was the third day of the present heated term, and while the mercury only reached 92, two degrees less than Sunday, the number of prostrations was greater. There were six deaths during the day and twenty prostrations.

**Two Deaths From Heat.**  
Hammond, Ind., July 19.—Two prostrations from heat, both resulting in death, occurred here. Fred Sobieski, nine years old, succumbed while playing ball in the street. Henry McKnight, thirteen years old, was prostrated while crossing a field. Several horses dropped dead.

**Heat Prostrations at Detroit.**  
Detroit, July 19.—A number of cases of heat prostrations were reported here Monday. The case of A. L. Smith, a well known contractor, resulted fatally. The maximum temperature was 95 degrees.

**One Death at Cleveland.**  
Cleveland, O., July 19.—One death and four prostrations had been reported to the police up to midnight as a result of the heat Monday. Two of the latter are serious.

**Two Deaths From Heat.**  
Milwaukee, July 19.—Otto A. Menges, a Milwaukee architect, died at Fredonia, Wis., from sunstroke and an unknown peddler died in this city from the heat.

**CITIZENS VISIT JOHN DEITZ.**  
Welcomed by Wisconsin Men Who Is Holding Log Drive.  
Chippewa Falls, Wis., July 19.—T. G. Whitten and D. D. Peck, who visited John Deitz, who is holding up a log drive of the Chippewa Lumber and Boom company at Thornapple river. Officers have not dared or been able to see Deitz since he started the hold up. Deitz welcomed the citizens, reviewed the case, showing surveys, deeds, abstracts, claims, contracts, etc., and alleged he was entitled to the property concerned. He said the sheriff did not read an injunction to him, but sent him an unsigned order through the mail. He said he had been repeatedly shot at, but that he had shot no one. He offered to give himself up and agreed to follow Whitten and Peck, but his wife fearfully persuaded him not to go, fearing that he might be shot on the way through the woods.

**FOLK WILL BE NOMINATED.**  
Democrats of Missouri Will Name Him for Governor.  
The eighth national convention of the Ladies Catholic Benevolent association is being held in St. Paul.  
Jefferson City, Mo., July 19.—The element of uncertainty regarding the nature of the proceedings of the Democratic state convention which convenes today characterized the hordes of delegates last night. The opinion was freely expressed that the convention will be harmonious.  
That Joseph W. Folk, the present circuit attorney of St. Louis, will receive the nomination for governor is accepted as a fact.

**Miss Addie Burt Dead.**  
Toledo, O., July 19.—Miss Addie Burt, divorced wife of Frank Burt, manager of the Lyceum and Burt's theaters, died here Monday. The direct cause of death was inflammation of the brain which became acute soon after Mrs. Burt attempted to kill her husband by shooting him on the night of May 21 last.

**Horse Balked on Crossing.**  
Janesville, Wis., July 19.—Joseph Green and wife were struck by a passenger train a mile south of here. Mrs. Green died from her injuries and her husband is not expected to live. Their horse balked in the middle of the railway crossing. Mr. Green was a prominent business man of this city.

## TO SETTLE TROUBLE

### ANOTHER EFFORT WILL BE MADE TO END STRIKE IN THE PACKING INDUSTRY.

### APPEALS TO THE PACKERS

### STRIKE LEADER ASKS THEM TO CONCEDE THE ONE POINT IN CONTENTION.

Chicago, July 19.—One more effort will be made to settle the stock yards strike by arbitration. President Donnelly of the striking unions will today send to the packers another letter asking for a conference. In this letter Mr. Donnelly will go over the history of the strike, and will ask the packers if in their judgment it will not be better to concede the one point in contention than to continue the strike. The one point to which allusion is to be made, is the refusal of the packers to discharge the men they have employed since the commencement of the strike, and give their places to the men who walked out.

The communication to the packers will also suggest that it is the belief of the strikers that they are, as old employees, deserving of this consideration. If this offer of the union is rejected by the packers, Mr. Donnelly declared last night, the allied trades at the stock yards, numbering in all about 13,000 men, will be called out today in an effort to bring the packers to terms.

Joseph Morton of the stationary firemen's union called on the packers Monday afternoon and notified them that unless there is a speedy settlement of the strike his men will be compelled to quit work. While no definite answer was given Mr. Morton by the packers he was received by them in such a friendly manner that he left the conference with the belief that there is still a strong probability of peace, and the determination of Mr. Donnelly to once more open negotiations with the packers was the result of the manner in which Mr. Morton was received by them.

**Operating Forces Increased.**  
According to representatives of the packers, the operating forces at the plants Monday were about one-half the normal strength, being fully 50 per cent larger than last Saturday. All the plants, it was claimed, did a great deal of killing and there was also a decided increase in the amount of dressed meats shipped out of the city. From the strikers' side came the statement that independent plants are doing all the work and that the big plants are not doing 2 per cent of their normal business.

Slugged into insensibility by a dozen men early Monday and left for dead on the tracks of the Ashland trolley line at West Forty-seventh street, Anton Bartuslavskis, an employee at the Swift packing plant, is dying at the county hospital. His injuries, in the opinion of Inspector Hunt, were inflicted by strike sympathizers and the wheels of a trolley car. The men set upon Bartuslavskis, who was going home from work, broke his skull, fractured his jaw, kicked him about the face, head and body and then threw him on the car tracks. The motor-man of the car saw the body in time to stop the car, but not before the wheels had crushed the man's shoulder.

Monday was almost free from rioting or disturbances of any kind.

**NONUNION MEN BARRED.**  
Fail to Get Through Picket Line at South St. Paul.

St. Paul, July 19.—The South St. Paul strike situation opened Monday with every indication of trouble, and closed quiet and serene, except for the fact that many of the union men were highly displeased with the action of their president in abolishing the blockade features of the pickets after conferring with Governor Van Sant.

It is a serious question whether President Willis will be able to control his men at the meeting of the union today.  
When the nonunionists arrived on the motors, they faced by far the strongest picket line seen during the strike. About 500 men, reinforced by fifteen women, blocked the roadway leading to the entrance of Swift & Co.'s plant, and, despite efforts to break through the line, not a nonunion man passed into the plant until the blockade was raised.

Sheriff Grism confessed that he was not able to handle the situation, and Mayor Lytle failed to accomplish anything more than the delivering of an address on the duties of citizens.

There is every reason to believe that the blockade will be continued again today, and if the men act on their own initiative and are not subject to their officers, there is additional danger of a clash, as Superintendent Burns says that it is the purpose to take in nonunion men as fast as possible.

Governor Van Sant has decided that the local authorities have not exhausted their resources and declines to call out the militia.

**ANOTHER TRAGEDY OCCURS.**

Woman Jumps Overboard From the Steamer Loomis Sailed On.  
Plymouth, Eng., July 19.—Tragedy again marked the homeward voyage of the North German Lloyd steamer Kaiser Wilhelm II. On the arrival of the vessel here Monday almost at the hour an inquest was being held over the body of F. Kent Loomis, it was announced that a second-class passenger, Mrs. Lipschitz, had committed suicide by jumping overboard when the ship was one day out from New York. Hundreds of passengers witnessed the suicide and watched the efforts of a lifeboat to rescue the woman. No trace of the body was found.

**EXCITEMENT IN PANAMA.**  
Said to Be Based on a Misunderstanding.  
Washington, July 19.—It is explained here that the excitement among the business men of Panama over the recent establishment of ports of entry at Ancon and Cristobal, in the canal zone, is based on a misunderstanding of the intentions of the canal commission. The French company in constructing the canal dredged a deep water channel to the mouth of the Rio Grande river and erected wharves at La Boca. This channel was deep enough to enable seagoing craft to discharge their cargoes at the La Boca wharves. The waters of the harbor adjacent to the city of Panama are shallow and it is necessary to lighter goods which are landed at the wharf in the city of Panama.  
The merchants at Panama, it is believed here, think that the establishment of the port of Ancon, which is the name given by the commission to La Boca, will prevent the continued use of the channel and wharves at La Boca for the landing of goods intended for the city of Panama. These difficulties can be avoided by an amicable arrangement in respect to transportation of goods landed at La Boca for Panama under bond.

**TELEGRAPHIC BRIEVITIES.**  
Former Secretary of War Elihu Root is a guest of President Roosevelt at Sagamore Hill.  
Dr. Isaac Roberts, the well known astronomer and geologist, is dead at Crowborough, Eng.  
In a fight at Yellow creek mines at Middlesboro, Ky., Monday, Archie Legero shot and killed Henry Gilee. Legero escaped.  
The yacht race Monday from Dover to Ostend was won by the American schooner-yacht Ingomar, owned by Morton F. Plant of New York.  
William H. Siegel, aged fifty, together with his team of horses and a wagon, was blown to atoms by an explosion of nitroglycerin at Lima, O., Monday.  
The Canadian tennis tournament was finished at Niagara, Ont., Monday, with the winning of the men's singles championship by Beals Wright of Boston over L. H. Waldner of Chicago.  
Edward Smilax was probably fatally injured in Minneapolis Monday night as a result of being thrown from a buggy and dragged half a block on Fourth street south by a horse frightened by an automobile.

**MERELY WASTED POWDER.**

Two French Deputies Fight a Bloodless Duel.

Paris, July 16.—A duel was fought Friday by Francis De Pressence, Socialist deputy, and Louis Lucien Klotz, Radical deputy, the outcome of a violent dispute in the corridors of the chamber of deputies last Wednesday night in the course of which violent epithets were used, such as "dog of a Jew," and "blackguard." Only two shots were fired and neither deputy was injured.

**WANT EXCHANGE OF CARDS.**

Plumbers and Other Workmen of New York Contractors Strike.

New York, July 16.—Strike of the plumbers, gasfitters and steamfitters and helpers were ordered Friday on all the contracts of New York general contractors in outside cities to force a system of exchange of cards with unions in outside cities.  
The buildings affected are in Pittsburgh, Philadelphia, Baltimore, Washington, Newark, Binghamton, Jersey City and Princeton.

**MICHIGAN VILLAGE DESTROYED.**

Nearly Every Building in Kimball Wiped Out by Fire.

Ironwood, Mich., July 16.—The village of Kimball, including the Kimball & Clark mill, a large stock of lumber and nearly every building in the village, was destroyed by fire Friday. The loss is estimated to be \$75,000.

**ARTHUR ORTH SUICIDES.**

Iowa Man Succeeds in Carrying Out Double Tragedy.

Davenport, Ia., July 16.—By putting arsenic into a tumbler of milk and draining the glass, Arthur Orth Thursday carried out a double suicide that he and Mrs. Minnie Garner planned last Monday. Because she was in love with Orth but already was married, Mrs. Garner proposed a double suicide Monday and they took poison together. Death followed for the woman, but physicians saved the man's life. He tried again Thursday and succeeded.
